A bird's-eye-view of our home town, Grand Blanc. And aren't we proud of it! Maybe it isn't very large, but it certainly can put forth an abundance of energy when called upon. And since our veterans have been returning home, a number of new business concerns have been established. So, once again, Grand Blanc is a peaceful, thriving community.

Foreword

This year of 1946 has brought many changes to the people of Grand Blanc. Many of our former students are returning from the Armed Services to resume their pre-war activities, or engage in new pursuits. The folks in and around Grand Blanc are turning from the factory to farm, their previous means of livelihood. It is to all of these that the principal theme of this book is devoted, for the part they played in the winning of the war, and the part they will play in the keeping of peace.

"They shall beat their swords into plowshares, and their spears into pruning hooks: nation shall not lift up sword against nation, neither shall they learn war anymore."—Is. 2:4.

Dedication

For his fine leadership, his ability to organize and develop outstanding F. F. A. and 4-H Clubs, his interest in all the agricultural projects of the school and community, his wholesome influence on those with whom he comes in contact, the unstinted way in which he gives of his time and talents, we dedicate this 1946 issue of our yearbook, The ECHO, to Joseph Jewett.

Order is the foundation of all good things.

They are called the "School Board," these five men who govern the destinies of the Grand Blanc Township Unit School, wielding the last say-so on all important matters—even our diplomas.

Two vacancies are filled for two years in succession, and the third year only one is filled. They are elected for a term of three years and serve without pay and frequently without the expressed appreciation of the patrons of the school.

The board meets once a month to discuss the numerous problems, both of the current school year and for those immediately ahead.

Our superintendent, Mr. Anthony J. Brendel, has the interest of all the students at heart. His many problems concerning the administration and regulation of the school are due to the increased enrollment and the difficulties arising from wartime emergencies.

Good Counsellors lack no clients.

Our principal, Mr. Howard H. Pepper, will always be remembered by every senior who graduates from this school. His understanding, leadership, and guidance are unsurpassed in value to those who are just beginning to meet a few of the problems they will be forced to cope with when they get out on the rough road that lies ahead.

Many of the boys whose education was interrupted by months of service in the armed forces of our country are returning to take up where they left off. It is now a common sight to see these seasoned veterans sitting in our midst. Welcome home, fellows and girls!

SENIOR OFFICERS AND MISS BERDAN

We chose them as the "Big Four" because of their outstanding leadership, stimulating personalities, and the enthusiastic manner in which they undertook their responsibilities, even when it came to such things as floor-mopping, table-wrestling, dish-washing, and any other dirty little job that came along.

Sitting in on all "Big Four" conferences is Miss Berdan, our understanding sponsor, whose capable supervision is appreciated by the entire class.

AH, SWEET MEMORIES

Ah, school daze, school daze! About fifty kids, of whom fourteen were to graduate here, began first grade drudgery, holiday parties, and Christmas pageants together. We thence emerged into Jr. High. Our first big party was a potluck dinner-dance. Then came Senior High, and the Sophomores initiated us "Green Freshmen." Long undies for the boys and burlap bag blouses for the girls gave us a touch of glamor. We repaid our debt to the Sop-mores with the traditional party. Our class officers were elected as follows: Harold Burrow, president; George Jaksa, vice-president; Shirley Brink, secretary; Betty Teer, treasurer. Charles Duby left to wear "Bell-Bottom Trousers."

As mighty Sophomores we had the pleasure of "doing" the poor innocent Freshmen—"Ain't we rascals," but that's the custom and how we loved it! Al Conquest was elected class president; Arthur Keith, vice-president; Dean Thoroman, secretary; Roy Baker, treasurer. These "Bell-Bottom Trousers" are getting popular. Darrell Cutright is wearing them now. Jerry Haynes wanted to be unique and gave the Merchant Marines a chance. Our Sophomore year was saddened by the death of Clarence Coon.

Quite a successful year—our Junior year! Our prom — the "Starlite Hop" in February — a scrumptious success; our play, "Mama's Baby Boy", was an aisle-rolling event; our parties—Junior-Senior rug-cuts and Senior-Junior frame-struggles. Our officers were president, George Jaksa; vice-president, Julia Lesko; secretary, Shirley Sitts; treasurer, Roy Baker. 'Ye good ole' service sure took the bumper crop of men this year—J. T. Carter, Bruce Freathy, Robert Lemme, and Merle Voltenburg.

At last we're Seniors and have the run of the school—we think! Election of class officers with Al Conquest holding the gavel for the second time in our four renowned years. Whitey Burrow was backing him up. Ardis Hodges was elected official "pen-pusher" and Donna Harwick "banker". Flicker pictures, ECHO dances, and football games with Seniors selling nourishment on the sidelines occupied our valuable

time 'til the Senior play practice started. Cast parties were many and then "THE NIGHT." The first-nighters hurried down the aisles, only to sit tilted on the edges of their chairs with a cold sweat dripping from their feverish brows as they watched the mystery play, "The Sixth Key."

The Magazine Campaign was started by an assembly of Joe "the man who came to dinner" Shields' jokes. Of course the Seniors participated so they could earn money for the ECHO.

The ECHO staff was chosen—Donna Harwick as Reconversion Chief, her foremen, Betty Teer and Dean Thoroman, were on the beam too. Donald Young was chosen Business Manager with Shirley Sitts and Max Taylor as his chief assistants.

Our skip day on January 31 was loads of fun. Forty of us started out with Mr. Wallace as chauffeur and Miss Berdan holding down the whole shebang. We visited a court trial first, then police headquarters. Four girls were absentees but they picked up a big, hearty, Irish policeman to guide them back on the right track. Then we had lunch, but most of us forgot to eat because we were riding on the escalators at Hudson's! On to various types of shows, and then most of us trudged wearily back to the bus while about six of the late-comers buzzed up in a slightly crowded taxi. We snoozed all the way home.

On the 46th day of the year 1946, the Class of '46 presented a dance for all students with 46 dances—and oh yes, the fee, 46c per couple. Quite a coincidence! This was just one of our many ECHO Dances. We had a "Shoeless Dance", "Bobby Sox Brigade", "Daisy Mae Drag", "The Bunny Hop", and others.

We enjoyed another skip day in Detroit before our Senior Prom.

Baccalaureate saddened us with the realization that we were leaving "Our High School". On Class Night we enjoyed a "yummy" Class Night Dinner. Afterwards we were chipped up with slamming jokes and silly gifts. Commencement climaxed our Senior social life.

FOOTBALL

Coach Batchelor, encouraged by the return of Don Alward, Vincent Battin, Merritt Christman, Alvin Conquest, Cletus Crickmore, Jack Murchie, and Bill Wadsworth to form the nucleus of the team, began workouts with high spirits.

A winning season was completed by defeating Bendle for the first time in seven years, thereby winning the Barney trophy.

Because of his fine work at fullback, Jack Murchie was selected on the all-county team. He scored fifty-four points during the season. Bud Corlew, playing a fine game at guard, was also selected for the all-county team. Hard working Merritt Christman earned Honorable Mention.

Letter winners were Captain Alvin Conquest, Co-Captain Merritt Christman, Bill Teer, Don Alward, Don Miller, Bud Corlew, Jack Swartz, Bill Wadsworth, Jack Murchie, Vincent Battin, John Partenio, Bob Roy, Ken Watters, David Brochu, J. W. Sifferman, Clarence Duprey, Don Emery, Bud Marx, Cletus Crickmore, Elwyn Hughes, Albert Anderson, and Dwaine Polzin.

RESERVE FOOTBALL

Coach "Howdy" Loomis was both amazed and happy over the unexpected turnout for reserve football, as over fifty boys put their "John Henry's" on the eligibility list. From this group, a team was formed that won four of seven games played.

BASEBALL

The Baseball season started with only eight veterans participating, Captain Don Butcher being the lone Senior. The Bobcats finished second in the county with an impressive 5-2 record. For additional strength, the Red and Blacks adopted the tactics of hitting with men on, thus enabling them to conquer a foe or two. Highlights of the season were victories over Fenton and Davison High Schools.

Letter winners of the season were Bob Roy, Albert Anderson, Alvin Conquest, Don Butcher, George Jaksa, John Partenio, Jack Swartz, Francis Metzger, Merritt Christman, Carl LePage, and Kenny Watters.

BOYS' TRACK

The track team had a successful season, winning six, and losing two, second in a triangular, and third in the county.

Inaugurating a new type of meet in this area, Grand Blanc was host to six other schools in a meet consisting entirely of relay races. Our boys came in fourth.

Captain Don Roberts, winning twenty-five first places, broke the school record with one hundred fifty-nine points.

Letter winners and their number of points were Don Roberts—159, Elwyn Hughes—62½, Don Allen—50 5/12, Bud Marx—46¼, Jack Murchie—45¼, Bill Teer—39¼, John Partenio—31⅓, Cletus Crickmore—26¾, Vincent Battin—26½, Jim Lorion—18¼, Art Keith—16, Harold Burrow—10¾, Howard Rockwell—10, Allen Baker—8.

CROSS COUNTRY

Competition in Cross Country, a two mile race, was entered for the first time this fall. Ten boys trained for this run under the coaching of "Howdy Loomis". The number of points a team makes is determined by the place each member gets, first, one point, second place, two points, etc., the team with the lowest score winning.

The boys won four of the five scheduled meets and tied for third in the state meet, held at Ypsilanti, October 27. The team was spearheaded by Captain Elwyn Hughes who, because of his outstanding performances throughout the season, attained for himself a scholarship at Michigan State College.

Hughes, who finished 4th, and J. W. Sifferman, who finished 13th, won ribbons in the state meet. Letter winners were Elwyn Hughes, J. W. Sifferman, Deloy Burrow, John Partenio, George Jaksa, Jim Lorion, Don Young, Howard Rockwell, Eugene Brothers, and Bob Roy.

VARSIY BASKETBALL

This year, with the aid of six returning lettermen, Coach Loomis developed an aggressive and unyielding squad. The Bobcats finished the season with an 8-8 mark and sixth in the County.

The cagers also resumed their meritorious habit of defeating Bendle. The score was 36-23, one of the most one-sided defeats in the history of the school rivalry.

One of the hardest fought battles the team played was against Fenton, the undefeated County champs, in the tournament. Although the boys came out on the short end of a 48-38 score, they received rightly earned praise.

The Bobcats repeated their high free throw average of 52%, sinking 118 out of 228. High scorers for the season were John Partenio, 166, and Captain George Jaks, 108. George was unanimously elected to the All-County second team and John to the All-County third team at a meeting of the coaches on March 19.

Letter winners were George Jaks, Carl LePage, Don Allen, John Partenio, James Lorion, Jack Swartz, David Brochu, Bill Wadsworth, and Cletus Crickmore.

RESERVE BASKETBALL

With practically all of last year's reserve players returning, Coach Batchelor assembled a basketball team that won its first game in commendable style. Wadsworth, Swartz, and Crickmore were advanced to the Varsity, leaving a rough road ahead for their teammates. But with Harwick and Williams pitching in the majority of the baskets, the boys came out on top in seven of their fifteen games.

For the first time, a Reserve Tournament was held in the County during the Christmas vacation. Our boys, showing plenty of scrap, won their first game from Bendle, 25—24, but were stopped by Davison, 38—27, the following evening.

GIRLS' TRACK

The girls' track team must have put in a lot of practice to get in condition for the Class B County Track meet, 'cause they certainly were jet-propelled the day of the meet. The girls missed taking top honor by a margin of only 4 points. Results of the meet were Kearsley 29 and Grand Blanc 25. The returning lettermen were Florence Drews, Mary Pope, Shirley King and Marion Coon.

The following girls won their letters by placing in the county meet:

Dolores Latreille	4th	Hop, Step and Jump
Dolores Latreille	3rd	Standing Broad Jump
Florence Drews	1st	Baseball Throw
Florence Drews	1st	Basketball Throw
Mary Pope	3rd	Baseball Throw
Marion Coon	4th	Shot Put
Florence Drews	}	3rd place in Relay

Shirley King		

SOFTBALL

Youth is full of sport . . . and pleasure.

During the first few days of practice there were quite a few lame backs and sprained fingers but it didn't take very long for the girls to get back in the groove again.

They did some strenuous playing, and ended the season with an even score, having won two games and lost two.

The letter winners were Lois Carlson, Roberta Perry, Mary Pope, Florence Drews, Marion Coon, Sally Brink, Pearl Jensen, Jane Voltenberg, Loretta Convis, Evelyn Rhoades, Nona Yager, MaryLou Parker.

STUDENT COUNCIL

President	Donald Young
Vice-president	Max Taylor
Secretary	Patricia Gundry
Treasurer	Robert Harper
Adviser	Mr. Cornford

The function of the Student Council is to co-ordinate the activities of the various clubs and organizations and to promote and advance new projects for the betterment of the school.

Members are elected annually by ballot to represent each class and each extra-curricular activity. Attendance and service pins are awarded yearly.

The Council sponsors a program of motion pictures, revenues from which make possible the purchase and renewal of projection equipment, public address facilities, and a new schoolroom sound system which will be installed as soon as materials are available. Then everyone will have a gay ol' time talking over the P. A. system. And that includes the faculty!

Deliberate slowly, execute promptly.

Example is a lesson all men can read.

PATROL BOYS

The main duty of these Junior High cellmates is to assist the younger children safely across the highway, morning, noon, and night. They also examine the excuses of students leaving the vicinity of the school, and believe us, not even the smoothest slick-chicks can get past these flatfooters. These boys are under the leadership of Mr. Jensen.

The bus patrol was organized to see that the demeanor of the children riding the buses is "according to Hoyle". And they make pretty good watchdogs, too!

Grand Blanc's Varsity Club got under way again, after several years of inactivity.

At the Thanksgiving football game, several members of the Club carried a Bobcat, emblematic of the school's nickname, down the field before the game started, while other members walked behind with black and red streamers. This display of spirit helped to spur the team on to its first Thanksgiving Day victory in seven years.

A dance was sponsored during the spring term and there was a swell turn-out.

The Varsity Club also sponsored a resolution through the Student Council concerning the wearing of Varsity sweaters, letters, and correct number of stripes. So, if you haven't won your letter legally, you'd better watch out!

In ourselves are triumph and defeat.

Student Council	Julia Lesko
Adviser	Mr. Hannon

Because the Photography Club has been lacking some badly needed equipment, Mr. Hannon put in bids for a "few little items" of Tank Plant equipment that they could use. He must be a pretty smooth talker 'cause he got what he went after.

In March they went bowling and as far as we know, not one of them went down the alley with the ball——.

Mr. Hannon and Jim Cech photographed couples who attended the J-Hop. Of course you weren't forced to buy them, but after all you did have them taken and fifteen cents won't really break you. Anyway, the Club made quite a little sum of money, which means more equipment. And let's hope Mr. Hannon keeps up the good work at the Tank Plant.

Snapshots are but silent speakers.

Doing good deeds isn't all that the Scouts have to do. They spent a weekend at Pine Lake Scout Camp during the spring and it must have been a hilarious one 'cause they soon returned for an entire week.

In February the Scouts began swimming lessons at Haskell Pool for merit badge workers and beginners. Quite a number of "waders" graduated to first class swimmers.

In the spring, the Troop spent a week camping in the North Woods. It was a rough life, but they survived!

I would help others out of fellow feeling.

The Home Economics Club sent two delegates to the regional meeting at Lapeer to get information concerning the new national organization of the Future Homemakers of America. Consequently the Club adopted the name of the National Organization, and is now a member of it.

In October the F. H. A. and the F. F. A. held their annual "Pheasant Feed" and while the girls were in the process of getting the pheasant well done, the other students vowed to join the club, if only to get some of that delectable food.

The F. F. A. and F. H. A. sponsored a public Box Social in December and you should have seen the fancy boxes!

The F. H. A. had a "Backward" party in January, and it must have been really backwards, 'cause they didn't invite the F. F. A.

The annual spring picnic and installation of new officers took place in May.

Silver club pins with the F. H. A. emblem were ordered for the girls in February. Now all of the members are proudly sporting a snappy little pin.

March 26 the annual parent-student F. H. A. - F. F. A. Banquet was held. And the parents seemed well satisfied with their future Homemakers and Farmers.

What a "Harpy Huddle" when all these girls get together for one of their monthly parties! The initiation of the new members at Rust Park in October was really atomic. The calisthenics they did caused a lot of stiff limbs, but Pearl Jensen acquired more bruises than anyone else.

What a super time everyone had at the first house party. Yvonne Mooney was hostess. Donna and Betty prepared the food, so it wasn't any mystery when the largest pieces of cake were missing.

Miss White, from the Y. W. C. A., was the guest at the second meeting held at Janet Haight's.

The recognition of the new members was held on December 21, with a Christmas party following. Oh! That Santa Claus with the southern accent.

Then the big affair—the Hi-Y-Girl Reserve party, February 13. Say girls, aren't those Hi-Y boys rugged?

The 4-H Club was really clicking this year. They walked off with top honors at the 4-H fair, held in Grand Blanc during the summer vacation. There were many other County schools who competed in this fair.

The few days they spent at Tyrone Hills wore them to a complete frazzle. How about it, kids?

In October they all got up one morning even earlier than usual and dressed up in their "Sunday best" to attend the Achievement Banquet held at the Hotel Durant, and they skipped school to go. But it was legal.

The annual 4-H round-up held at the Capitol Theater and a trip to Greenfield Village were activities in the spring.

Health, Heart, Hand, Head is our creed.

Say! Our Future Farmers of America did themselves proud this year. They achieved seventh place in the best chapter contest out of two hundred in the State and they also won first place in the District Crop Show, winning \$197.00 in prizes. In March they placed first in Parliamentary Procedure, Demonstration, and Speaking in the District Contest held at Fenton. How's that for excellence in the field of farming? By the way, Boys, what happened to that \$197.00?

In late summer they went on a camping trip at Oscoda, and later attended the Live Stock Show in Detroit. But far be it from us to mention the other places they visited while there.

The Annual F. F. A.—F. H. A. "Pheasant Feed" was well attended. Who would expect anyone to be absent when food was served? And what food!

The informal activities included a tobogganing party and the Greenhand initiation.

A new club has been developed since a great number of students have taken an interest in science. The purpose of the club is to develop the scientific talents in its members and to create a greater interest in science within the community. The meetings are made interesting through the members who take turns giving demonstrations. Here's hoping there won't be any explosions.

As a climax to the year's work, each member prepares and reads a somewhat lengthy essay on his special interest.

Wisely and slowly we stumble as we work.

Through the combined efforts of the music instructors, our music department has rapidly enlarged. It now includes a new Boys' Glee Club and a revived A Cappella Choir, in addition to the regular marching Band and Girls' Glee Club. Nice Going!

Our High School Band, under the able leadership of Mr. DeRidder, has expanded tremendously.

The snappy formations displayed at the football games is one example of how they have progressed. Another is the entertaining floor shows given at the student dances.

Barn dances were sponsored by the Band and the money they earned went into the fund for new band uniforms and for three partial scholarships to the Interlochen Music Camp.

The present instrumental setup includes a sixty-five piece Senior Band, a thirty-piece Junior Band, a sixty-piece song flute group, and a forty-piece Cadet Band that is working its way up to become a part of the Senior Band. And they won't be long getting there, either.

"Birds of a feather 'gather' together." It is obvious that these sixty-eight students aren't birds, but they do gather; and the tunes that ensue are more than equal to those of any flock of birds. They journeyed to Lansing for the Michigan State Festival, and have sung at P.T.A.'s, Baccalaureate, and Commencement exercises.

The "Frank Sinatras" of Grand Blanc are certainly lucky this year. Now they can sing in other places besides the bathtub since Mr. Wallace returned from the army and helped develop the first Boys' Glee Club we've had since 1942. They performed at P.T.A.'s and school assemblies.

These four "Swoon Crooners", after a belated start, are now in the groove. They sang at Men's Club, P.T.A.'s, and numerous other programs.

You're either too young or too old. At least that is the situation in the three-act comedy "Mama's Baby Boy" presented May 4, 1945, by the Junior Class under the direction of Mr. Cornford.

Mrs. McLean, an attractive widow of forty-seven, having lost all of her money, plans to marry Luther Long, a widower, for his money. Believing him to be much younger than herself, she persuades her eighteen-year old son to dress as a youth of fourteen. But meanwhile Luther Long, having a plan identical to Mrs. McLean's, has also persuaded his daughter to dress as a young child. Before long a craze of dressing young spreads through the entire neighborhood, the result being a hilarious time for everyone.

Mrs. McLean and Mr. Long soon discover that each has been deceiving the other, and a bitter quarrel ensues. But before the curtain falls, they have both made amends and decide to marry. The children have also fallen in love, and everyone lives happily ever after.

Five heirs, who had received news of their uncle's death in letters containing keys of an odd design, arrived at his country home and found him very much alive. While he was explaining to them that it was all a joke, the room was quickly darkened. When the lights had been turned on again, Mr. Hodge was found on the floor dead and the five keys of the heirs were missing. Everyone had a difficult time figuring out the mystery, which was finally solved to the satisfaction of all.

"The Sixth Key," a mystery comedy by Robert St. Clair, was presented on December 7, 1945, by the Senior Class, under the direction of Miss Berdan.

ECHO

Whew! It's finished for another year. How much ya' want to bet that this is the first yearbook the seniors really appreciated? Ask any one of them and see how many of them think it's a soft job. We think this is the best one that's been put out yet. Natch, look who did it. Not braggin' or anything. Course we did have some help, and all kidding aside, we really do appreciate the wonderful co-operation we received from each and every one who in any way was responsible for furnishing any kind of aid to make possible the "ECHO".

Our troubles this year were small, few, and far between: Craine Studios supplied us with generous quantities of photographs, the covers were made according to specifications and shipped at the earliest date we have ever had, and to top it off, we were able to get hundred pound paper again. Say, do we rate!

JANITORS AND BUS DRIVERS

The janitors don't have an easy time cleaning up after us cellmates, but they manage to keep the school looking orderly. And they're always "Johnny on the spot" when anything goes wrong.

Driving a bus is a nerve-wracking business and it can't be said that it is a dull one. Just ask any of the bus drivers and see what he says. And while you're at it, ask him for us how they can concentrate on driving with forty or fifty children making a clamorous din. It's a mystery to us!

GRANDNORMIANA

SEPTEMBER:

- 5 Hi! Here we are right back with our cellmates again. Did everybody have a super vacation?
- 6 First full day of labor—"I'll get just as smart sitting in the back seat."
- 7 First weekly meeting of T.G.I.F. (Thank Goodness it's Friday) club tonight after school.
- 10 The teachers are putting us right in the groove by handing out books.
- 13 We Seniors looked sharp for the camera today, but where was it? Now our Heavenly Hurds will have to wear their neckties again next Thursday!
- 14 Ahh—now we can hold another T.G.I.F. meeting.
- 19 If the trees at Rust Park could see, they would have gotten a large charge out of the Girl Reserve Initiation. Didn't the old members have fun!
- 20 Caledonia! Today was the day. The Seniors all got shot—by the camera. Well, Fellas, now you know how mellow the girls look with their hair in curlers. Aren't we old Girl Reserves mean! Parents and Teachers get together to discuss us brain children tonight.
- 21 Pep meeting today ninth hour to get us in the groove for the game tonight. It was close, but we came out on top. G.B. 7—Holly 6.
- 24 The Seniors sure had an atomic class meeting today. Natch, everything we do is exciting.
- 26 Seniors got their Christmas card samples today. You know where to buy cards now! Hi-Y boys have a stag meeting tonight.
- 27 Senior proofs came back today; some were pretty prim. Let's have 'em taken over.
- 28 Rain seems to bring bad luck to old G.B. Fenton got us 19—0. First ECHO dance tonight, so while the Seniors pile the hot platters on the oven you Jive-Bombers show your stuff.

OCTOBER:

- 1 Oh-hum. The first day of a new month makes me feel tired and old.
- 2 Hi-Y boys rally together tonight.
- 5 We're on the beam again, Grand Blanc 26—Flushing 0.
- 8 F.F.A. Initiation tonight. Photography Club meeting.
- 9 Gosh, we're mean around here, another initiation tonight—the Hi-Y boys this time. Mr. Pepper certainly isn't an inside drip. He let us listen to the World Series in the study hall. Fellows, if you go hunting you'll get a blue excuse.
- 11 Things will get hot around here now with the '46 ECHO staff startin' to work.
- 12 We can have a T.G.I.F. meeting. Gee, we're good—Grand Blanc 19—Clio 0. Sweater dance tonight—Prima!! What dazzling colors!
- 15 The girls look sad today because the fellows have gone hunting. I wonder; will the hen pheasants miss any of their cocks tomorrow?
- 17 Freshman initiation tonight. Wonder who got the worst of it, the Freshmen or the Sophomores? We Seniors and Juniors had the Sophs worried, any how!
- 18-19 No school! Thank goodness for such cosmic things as Teachers' Institute.
- 22 Eureka, four days vacation sure spoil us.
- 23 Home Ec. Club Initiation today. The Girl Reserves are having a Harpy Huddle tonight—in other words a hen party.
- 24 By the smell of things the Home Ec. Club and the F.F.A. will have a super time at their banquet tonight; that is, if they can enjoy themselves after

the report cards we got today. It's time to put your quarters into ECHO'S.

- 26 Shock! H.H.P. stood up in front of Assembly today and said he was in a good mood. That's the first time we ever found out **that** way. No score game with Davison.
- 29 Senior play try-outs. Oh! You poor band members getting initiated tonight.
- 30 What's happened?! They're finally having a Varsity Club meeting.
- 31 Halloween. Wonder what the yard will look like tomorrow.

NOVEMBER:

- 1 They say anything can happen on the first day of the month, and it did. We couldn't get in the front door this morning; certain somebodies barricaded it. To top off everything, guess who came? The man, who, if you feed him, might go away, Magazine Joe.
- 2 Beecher topped us tonight 13-14. The ECHO presents the Bobby Sox Brigade Dance tonight.
- 5 All we've heard about today is the Haunted House at Bancroft. It must have been terriff with half of Grand Blanc crash-divin' out there Friday night.
- 6 Girls' Basketball practice starts today. Fellows—stay away from those gym doors.
- 9 It's happened again. We've certainly gone prim. Kearsley 6—us 0.
- 12 The magazine contest ended today. Student Council is talking about the P.A. system again.
- 13 Feel more like Seniors every day. Cap and gown measurements this time.
- 15 Girl Reserves have a Harpy Huddle tonight at Haight's.
- 16 Did Howdy bet that five dollars on Bendle to get our dander up? Come on, you Slick Chicks, drag your Jive Bomber to the Daisy Mae Drag tonight.
- 17 Our O.A.O.'s (one-and-only's) sure look smooth in sweaters alike, don't they?
- 20 Senior pictures came today. Mm, was all the worrying worth it?
- 21 Physics class had to work today—picked up our chairs and carried them over to the new annex.
- 22 Caledonia! For the first time in seven years we won the Thanksgiving game. 6—0. Varsity Club was on the beam . . . marched up the field with the Bobcat.
- 26 Pass the drool-cup, the girls have reason for coming to school now, with Mr. Wallace back.
- 27 Hi-Y recognition tonight.
- 28 The boys have started harmonizing their voices to form Glee Club.

DECEMBER:

- 3 Everybody had his picture taken today.
- 5 Report card sort-a spoiled the day.
- 6 Senior play today. We had a deluxe time giving it.
- 11 First basketball tonight with Linden. Won all three games.
- 12 Seniors got a charge out of taking a test using a knitting needle.
- 13 Girl Reserve recognition tonight.
- 14 T.G.I.F. Won another basketball game, G.B. 27—Goodrich 14.
- 18 Pictures back today. If we all really look like that, Grand Blanc is getting hard up.
- 21 Junior-Senior party tonight and we're ready for two weeks of vacation. Merry Christmas, everybody!

JANUARY:

- 7 Everyone seems so swoon-dazed to get back to their books. The New Year was pretty happy until today.
- 8-9 ECHO pictures. Mr. Ansv had as good a time as we did.
- 9 The Varsity's new suits sure look snazzy, don't they! Girls and Varsity won from M.S.D.
- 10 Well, Fellows, how many members in good standing for your "Hubba-hubba" Club?
- 11 We seem to have got flooded out of Civics class. Mr. Wallace thinks he should have been a janitor instead of a teacher.
- 15 Say, Alvin, how often do you get parking tickets? Not just when you're selling ads for the ECHO, I bet.
- 18 Put on your brightest sox, you Jive Bombers, and have a crash-dive at the ECHO Sox Dance. Seeing as how the floor is guaranteed to be clean, your sox might not get dirty.
- 22 The ambitious-ites who won the magazine contest last year got their ice cream today. Don't you wish you had worked harder?
- 23 In Physics class Mr. Hannon told us a joke that took us the rest of the day to figure out.
- 25 Don't forget, (as if you could) today we have a T. G. I. F. meeting.
- 28 Aren't those snazzy jackets the F.F.A. boys got! It doesn't take our jet-propelled girls long to get one to wear.
- 29 Will we ever love the teachers again after those terrible exams?
- 30 Tomorrow the Seniors have a skip day . . . but the rest of the kids get out of school, too.
- 31 Walked so much today my brains don't track with my typewriter tonight.

FEBRUARY:

- 1 Everybody seems to be joyfully entering the new semester except the Seniors, and they seem to be snoring away the day. Detroit wasn't too much for us, was it?
- 4 Some of our honorable mid-year Seniors didn't have to appear in school today, or in the future either. Are they lucky?
- 8 I wonder how many stomach-aches will result from the Physics experiment? The ice cream was delish', but—gosh, there was just too much!
- 11 I may be an inside drip for asking this, but where did Merritt get that nickname "Smokey Joe"?
- 12 Last home basketball game of '46 with Beecher tonight.
- 13 Girl Reserve and Hi-Y party tonight. Ruff-ruff! Do you jet-propelled girls like the Heavenly Hurds from Kearsley, Tech, or Davison best? Or do you still prefer Grand Blanc?
- 14 The day of Hearts, ah love—prima! The Freshmen are giving their upper class rivals, the Sophs, a party tonight.
- 15 Cosmic—our girls' team is County Champs! Too bad Kearsley got you by just one point, Fellows, but it was a super game.
- 18 The Bobcat pins the Seniors are selling sure look snazzy sported on the Varsity sweaters and coat lapels of you kids.
- 19 Old Man Weather put an end to the Photography Club's Bowling Party before it even started. Sometimes that guy is a pest.
- 20 The Home Ec. Club enjoyed looking at Mrs. Bullock's button collection. If we ever lose a button we know where we can match it.
- 21 Some gathering at Sitts' last night—mm!
- 22 Everyone seemed in a dither over the J-Hop, especially the Juniors. They'll be a total wreck by the time it's over tomorrow night.

- 25 Why was everyone so droopy today? It couldn't be the late week-end hours could it? We're glad the J-Hop was a success.
- 26 Gobbledygook! Those lucky basketball girls got treated with some yummy marshmallow hubba-hubbas.

MARCH:

- 1 Well, throw away the discs and call 'em Groovy! Isn't the new school orchestra on the beam? They sure gave out with their stuff at the Band Bounce.
- 4 Seniors found out what G.M. Tech has to offer.
- 5 Junior play try-outs today. J.C. representative said that all "tomatas" should have a college education as well as the "wolves."
- 7 Spring affecting us? The teachers seemed to have trouble with us today, anyway. Crump, it was fun to feel lazy.
- 8 Caledonia, we saw "The Pied Piper" today. Boys played in the basketball tournament tonight at Davison.
- 11 My, My! It has certainly been a blue Monday.
- 12 We got a large charge when we heard about Betty's falling down stairs; bet she felt a charge, too.
- 15 The Band gave a classical disc derby tonight. For the Highbows, a concert. Whoopee! Daniel Boone movie, with a comedy, too.
- 18 Well, Fellow Cellmates, wasn't this one of the most snafu weekends on or off the record?
- 20 Oh, happy days! After these, we get just two more report cards this year. Donkey Basketball tonight.
- 22 No reason to be bloggish today. It's Friday and that means a T.G.I.F. meeting!
- 25 School Speech Contest. Who won?
- 26 Home Ec. Club and F.F.A. Dinner tonight.
- 28 Ah—we have a vacation. From 3:30 P.M. tonight until 9:00 A.M. tomorrow morning. Aren't we sharp as a drill and twice as boring?
- 29 The oven was piled high with hot platters tonight for all you Jive Bombers that came to the Bunny Bounce.

APRIL:

- 1 Didn't all you slick twarps have fun today? Com'on, Cellmates, stand up under all those punk tricks.
- 3 Wasn't it nice of the Hi-Y boys to get us out of two classes by giving an essembly?
- 8 "It Might As Well Be Spring" is out of season now because I guess it really IS spring. Everyone looks so dreamy and every girl seems to be a Genie.
- 9 Yipe, was today ever a glob. Has everyone decided to be an inside drip and not have anything happen?
- 12 We practically flooded the gym today. "My Friend Flicka" was good, even if it was a tear-jerker.
- 15 Say, Rhoades and Hodges, what happened this weekend? We heard you two did it up in a snafu way!
- 18 The Junior play was a top-rater as far as we're concerned. You did a mellow job kids!
- 19 and 22 Gobbledygook! Two days of vacation.
- 23 Fiz! aren't vacations wonderful! Didn't everyone look like dreamstuff in her Easter clothes?
- 26 We got a look at the more serious side of life today when James Whittaker talked to us. We all enjoyed it very much.
- 29 What day of the week is rugged in the wrong way? You guessed it, the day following Sunday night.

MAY:

- 1 Today was a red letter day! Am I kiddin'? Report cards always makes us red someplace.
- 3 The Pops Concert placed the band as a high-rater on our scale.

MAKING THE GRADE

I think that I shall never see
A "D" as lovely as a "B."
A "B" whose rounded form is pressed
Upon the records of the blessed,
A "D" comes easily and yet
It isn't easy to forget;
"D's" are made by fools like me,
But only "profs" could make a "B."

"Don't they teach you to salute in your company?" roared the Major to Albert Anderson who had passed him without raising his hand.

"Then why didn't you salute?"

"Well, Sir," was the candid reply, "I didn't want to attract more attention than I had to, 'cause I ain't supposed to be out here without a pass."

In a high school class the students were instructed to express themselves on the subject: "The Most Beautiful Thing in the World."

A lazy lad in the back of the room pondered briefly, wrote a single line, lapsed into slumber. Curious, the teacher read over his shoulder: "My girl—too beautiful for words."

Johnny P. got a job with the construction gang. The first morning the foreman gave him a two-foot rule and told him to go measure a large steel plate. Johnny came back in twenty minutes.

"Well," inquired the foreman, "w'at's the size?"

Johnny displayed a satisfied grin.

"It's just the length of this rule," he said "and two thumbs over, with this brick, and the width of my hand, and my arm from here to there and leave out the fingernails."

Doris Smith was talking with Bob Rix about different kinds of boats in the Navy. After he had told her about the submarine, she looked rather puzzled and asked, "But doesn't the big gun get all wet when you go down?" Bob, thinking she should know better, said, "Good heavens, no! You see, we detail one of the crew on deck to hold an umbrella over it."

A kindergarten teacher wishing to test the knowledge of her class, laid a 50 cent piece on her desk and asked, "Can anyone tell me what this is?"

A small boy in the first row leaned forward, examined the coin, and promptly answered: "Tails!"

we're COOKIN' with Infra- Red

In photo-engraving as in any industry pioneering and developments are brought about by the leaders in the field.

In 1945, Willard Louis Wheeler, president of the Electro-Matic Engraving Company brought about an innovation in photo-engraving . . . The Electro-Matic Infra-red Burn-in Oven. This new process, instead of frying the plate, bakes it "in," leaving a finer, more life like illustration on copper to give you the better quality which this invention affords.

This oven is accepted nationally for its excellence and acclaimed as the best development in photo-engraving in a decade. It was used along with all our other modern equipment in the Electro-Matic plant in the production of the fine photo-engravings in your yearbook.

You can be sure of intelligence in handling of yearbook problems, and the ultimate in reproductive values at Electro-Matic.

We're cookin' with Infra-red!
